

GUT. ZU WISSEN. (GOOD. TO KNOW.).

Our bespoke information service

In November 2017, Bank Gutmann launched a novel news service for clients and interested subscribers. The monthly publications issued under the title **GUT. ZU WISSEN. (GOOD. TO KNOW.)** are tailored individually to each recipient's investment strategies, portfolios, and interests.

The topics covered range from economics and monetary policy to current developments in financial markets and portfolio decisions. The authors are all members of our staff. **GUT. ZU WISSEN.** therefore also offers a look behind the scenes of the Bank and shows the people at work on the Gutmann shop floor.

The focus of our information service is not on facts drawn from the media and the internet, but on the Bank's views and their implementation. We deliberately counter the flood of digital information by relying on our staff's knowledge and expertise and championing quality and relevance.
